

**In the Specification:**

Please amend the specification as shown:

Please delete paragraph [0030] and replace it with the following paragraph:

**[0030]** Figure 6B is a sequence alignment of the ligand binding domains of four human nuclear receptors, FXR (**SEQ ID NO: 3**), VDR (**SEQ ID NO: 4**), SXR (**SEQ ID NO: 5**), and RXR $\alpha$  (**SEQ ID NO: 6**). The secondary structural elements of the hFXR-LBD are shown above the FXR sequence.
